1.	Comment. Report proves that other information	on extensi	ve Czech	
	maneuvers held in the Cheb area in the fall of 1953	is incorrec	t.	
2.	Comment. A previous report		mentioned	25X
	an AAA unit quartered in this barracks installation. Armored vehicles are reported in this installation f	on the Sime	+ +4me	25X1
3.	Comment. This installation is reported for the believed to quarter another AAA unit. From the train	e first time	e and is	
	concluded that the installation also quarters a poli	ce or border	, it is r guerd	
	detachment.			
4.	Comment. The officer candidate school is repo	rted for the	e first time.	
	A previous report candidate school for airborne troops in Mor Ostrava.	mention	ed an officer	25X
	however, that such a school should be located in the	center of	the	
.	industrial area.		•	
5.	Comment. The barracks installation on the nor	thern perime	eter of the	
	city quarters the 36th Mecz Regt of the 14th Mecz Di	v, which is	confirmed	
-	up to May 1953.			
6.	Comment. The PS detachments are believed to b	elong to the	Decin	
	FS brigade.	· ·
